ANNUAL

The Masters

IN SPINE SURGERY SEMINARS

Advanced Spinal Deformity

 CHAIRS | Larry Lenke, MD & Chris Shaffrey, MD

The Grand Hyatt Vail
Vail, CO

Feb 1–4, 2024

JOINTLY PROVIDED BY

BROADWATER^{INC.}

A UNIQUE SEMINAR EXPERIENCE: Expert Faculty ~ Limited Attendance ~ Highly Interactive

The Masters

IN SPINE SURGERY SEMINARS

Advanced Spinal Deformity

 CHAIRS | Larry Lenke, MD & Chris Shaffrey, MD

You're Invited to A Unique *Seminar* Experience

This exclusive event will pioneer a new type of Seminar program for spine surgeons.

ONE TOPIC

- A laser-like focus on *advanced spinal deformity*.

LIMITED SIZE

- A *maximum of 38 attendees*, plus an elite faculty of 10 surgeons.

PARTICIPANT-DRIVEN EDUCATION

- Limited size will facilitate highly interactive sessions.
- Lectures will be *minimized*. Interaction will be *maximized*.
- Content will be shaped by questions and topics raised by participants during sessions.
- Candid discussions will address successes and failures of real surgical cases.

CAMARADERIE

- Honest discussion between faculty and participants will encourage camaraderie as attendees openly address case challenges that they all encounter.
- Enjoy two exclusive social events with faculty, plus Vail's winter attractions.

COMPANIES

- To maintain the Seminar atmosphere, there will be no exhibits. However, senior executives from a small number of companies will attend and participate.

Juan Uribe, MD

Faculty subject to change.

PROGRAM TOPICS

Advanced adult deformity topics will include
(but not be limited to):

- Preop patient selection and preparation
- TL deformity: Anterior approaches—ALIF, LLIF, OLIF, and MIS posterior approaches
- Anterior/posterior cervical deformity correction
- Posterior osteotomies for TL deformity
- Round table case discussions
- Posterior based TL deformity correction maneuvers/techniques
- Techniques for TL revision surgery
- Complication avoidance and treatment (non-neurologic)
- Neurologic Complication avoidance and treatment
- Postoperative care of the spinal deformity patient

Space for only
38 registrants.

Register ASAP

OBJECTIVES

After completing this activity, participants should be better able to:

Discuss surgical planning rationale, steps for patient optimization, surgical technique options, and methods to reduce and manage complications, for:

- Primary, advanced spinal deformity cases.
- Re-operative, advanced spinal deformity cases.

WHO SHOULD ATTEND

The program is focused on advanced spinal deformity. It is suitable for:

- Spine surgeons who see a significant number of advanced deformity cases.
- Early career spine surgeons who expect their practices to include a significant number of advanced deformity cases.

Spine surgeons who primarily focus on the more typical adult deformity cases may find the content less relevant.

HOTEL

THE GRAND HYATT VAIL

Nestled along the banks of Gore Creek at the base of Vail Mountain, Grand Hyatt Vail is located within walking distance of Vail Village in the heart of Vail Valley. This ski-in/ski-out luxury resort features vibrantly bold architecture, welcoming service, and exclusive amenities for meeting attendees and adventure seekers alike.

ACCREDITATION STATEMENT

In support of improving patient care, this activity has been planned and implemented by Medical Education Resources (MER) and BroadWater. MER is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

PHYSICIAN DESIGNATION

Medical Education Resources designates this live activity for a maximum of 11.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality CE activities that promote improvements or quality in health care and not the business interest of an ineligible company. All disclosure information will be provided in the online syllabus.

JOINT PROVIDERSHIP

This activity is jointly provided by Medical Education Resources, Inc., a non-profit medical education company and BroadWater, LLC.

ATTENDANCE

The course chairmen reserve the right to refuse admission to anyone whose presence is considered to be incompatible with course objectives.
